

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

Dear Parents and Community Members,  
The report card provided by the Oregon Department of Education offers a comprehensive view of Scio Middle School. Our academic program continues to focus on implementing the Common Core State Standards in all subject areas. The Scio Middle School Staff promises to deliver academic excellence daily to prepare our students for high school, college, their careers, and beyond. In order to achieve this goal, students must be ready to learn and develop a strong work ethic. We have excellent teachers who care about the students and will work to see all of their students succeed. As a parent or guardian, you can help by communicating with the

school, checking student's homework, and providing a place and time for your student to work at home. Also, attend parent conferences and stay informed by looking on-line at <http://www.scio.k12.or.us/sms/> to see what is going on in each of your child's classes. Our school looks forward to partnering with parents to make sure all of the students reach their full potential!

Thank you,  
Principal | Greg Nolan

**OVERALL SCHOOL RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.
