

FROM THE PRINCIPAL

Dear Parents and Community Members,

Scio Schools have a history of excellence. Our teachers and staff work diligently to reach every child with research based teaching methods. We have numerous programs in place to support students who have fallen behind in reading and math. With all our efforts, Centennial Elementary School students are performing on par with all elementary schools in Oregon. That means that our students are performing at the same level with what the majority of schools in the state have achieved. To improve these scores, our staff is implementing several initiatives that will help increase the quality of instruction.

We promise to deliver an increasingly excellent education to the children and families of this community. Please be in touch with any questions, concerns, or ideas that can support our school.

Thank you,

Principal | Luke Zedwick

OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

ACADEMIC SUPPORT

Reading Interventions are available for all students. We test three times a year to assure that each child is getting what they need in this most critical subject. Staff meet regularly throughout the school year to discuss the needs of students both individually and as a group. Teachers also provide many students with adapted instruction within the classroom environment. This often gives kids the help they need before they're ever pulled out of class. We dedicate three different staff members to keep track of and provide reading supports throughout the school. It is one of our highest priorities.
