

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,
The report card provided by the Oregon Department of Education offers a comprehensive view of Scio Middle School. Our academic program continues to focus on implementing the Common Core State Standards in all subject areas. The Scio Middle School Staff promises to deliver academic excellence daily to prepare our students for high school, college, their careers, and beyond. In order to achieve this goal, students must be ready to learn and develop a strong work ethic. We have excellent teachers who care about the students and will work to see all of their students succeed. As a parent or guardian, you can help by communicating with the

school, checking student's homework, and providing a place and time for your student to work at home. Also, attend parent conferences and stay informed by looking on-line at <http://www.scio.k12.or.us/sms/> to see what is going on in each of your child's classes. Our school looks forward to partnering with parents to make sure all of the students reach their full potential!

Thank you,
Principal | Greg Nolan
