

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

Scio Schools have a history of excellence. Our teachers and staff work diligently to reach every child with research based teaching methods. We have numerous programs in place to support students who have fallen behind in reading and math. With all our efforts, Centennial Elementary School students have steadily improved their performance on standardized tests. That means that our students are performing at the same level or better than the majority of schools in the state have achieved. To continue to improve these scores, our staff is implementing several initiatives that will help increase the quality of instruction.

We promise to deliver an increasingly excellent education to the children and families of this community. Please be in touch with any questions, concerns, or ideas that can support our school.

Thank you,

Principal | Luke Zedwick

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

## CURRICULUM & LEARNING ENVIRONMENT WHAT IS THIS SCHOOL DOING TO IMPROVE STUDENT LEARNING AND TO PREPARE STUDENTS FOR THE FUTURE?

### SCHOOL READINESS

Parent Academy  
Spring Kindergarten Roundup  
Summer Reading Fest

### ACADEMIC SUPPORT

Reading Interventions are available for all students. We test three times a year to assure that each child is getting what they need in this most critical subject. Staff meet regularly throughout the school year to discuss the needs of students both individually and as a group. Teachers also provide many students with adapted instruction within the classroom environment. This often gives kids the help they need before they're ever pulled out of class. We dedicate three different staff members to keep track of and provide reading supports throughout the school. It is one of our highest priorities.

### ACADEMIC ENRICHMENT
