

## Indoor/Outdoor Full Contact Sports Opt-In Form

Updated 4/22/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer indoor/outdoor full contact sports for the 2020-21 school year in accordance with the Oregon Health Authority’s Sector Guidance – Indoor Recreation and Indoor Fitness Establishments. Once final, post this form to your school or district website and a link to it will then be sent to ODE.

*In Lower Risk and Moderate Risk counties, practices and games for indoor/outdoor contact sports can resume following health and safety guidance to be issued by the Oregon Health Authority.*

*In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming indoor/outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.*

## School Instructional Model

### OHA Requirements

- The school must Offer, at a minimum, Comprehensive Distance Learning *with* Limited In-Person Instruction (LIPI), with the goal of implementing Hybrid or full On-Site Instructional Models for students before the end of the 2020-21 school year.
- Detail your school's current instructional model and note the date it began.

### Plan Details for School Instructional Model

Scio High School was running a hybrid AM/PM on-site instructional model. This hybrid model began on February 8, 2021. Then on April 5, 2021 the high school moved to all students on campus for 4 hours (9:30-1:42). The school runs a trimester schedule with 3 extended periods being offered for 6 weeks followed by the 3 periods being offered the next 6 weeks. Students report 5 days a week. The hybrid model follows all the RSSL health and safety guidance. You can find a link to the Scio High School Operational Blueprint for Reopening at the same location as this document, <https://scio.k12.or.us/covid-19-updates/scio-school-district-operational-blueprints-forreopening/>.

## On-Site Testing for Symptomatic Individuals and Close Contacts

### OHA Requirements

- The school must offer on-site responsive testing for symptomatic individuals and those with known exposures to individuals with COVID-19. This applies to athletes and support staff and volunteers. Schools must also be in compliance with state guidance for COVID-19 testing.
- Detail your school's specific plans to meet this requirement.
- Please review [COVID-19 Testing in Oregon's K-12 Schools](#) for additional information.

### Plan Details for On-Site Testing for Symptomatic Individuals and Close Contacts

Scio High School has already registered with the Oregon Health Authority to be able to provide free COVID-19 testing using the Abbott BinaxNOW testing kits. We have identified our school test administrators and school testing reporter. They have all conducted the mandatory training and attended the webinar presented by OHA. We have received our first shipment of testing supplies. We are ready to conduct the testing for staff or students who present symptoms during the school day. We will continue to be diligent on our screening protocols and attempt to stop all COVID-19 at the door but when symptoms appear during the day, or in this case during a practice or game activity, we will provide testing to those that we have a signed permission to test from. The permission to test forms have gone out to all students and we are keeping the returned ones on file. We will also contact each family prior to testing to confirm their desire for us to do so. We will follow all health and safety guidelines outlined in the COVID-19 Testing in Oregon's K-12 Schools document.

## Contact Information for Contact Tracing

### OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each indoor/outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
- Sample contact tracing forms:

  - [COVID Monitoring Form: PDF](#)

### Plan Details for Contact Information for Contact Tracing

We will use the provided sample COVID Monitoring Form to contact trace all individuals involved with boys basketball, girls basketball, and wrestling. The head coach of each team will be responsible for accuracy of the contact tracing forms. All individuals involved with the programs will be required to be contact traced at all practices, events, games, etc.

## Student-Athlete Waiver

### OHA Requirements

- The school must have a waiver completed for each student-athlete prior to indoor/outdoor full contact sports participation identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19.
- Waivers must be kept on file at the school. Detail your school's specific plans to meet this requirement.

### Plan Details for Student-Athlete Waiver

All student athletes will be required to complete the Scio School District Student Waiver Form prior to being able to participate in any contact basketball or wrestling practices or drills. The waiver forms have already been distributed to each individual athlete and will be collected prior to providing an athlete clearance to participate in practice.
