2. Seismic Grant

- a. The seismic project at the Scio Middle School is continuing to move along. We are starting to now see what the finished project will actually look like. The restrooms, entryway, and classrooms are nearly complete. The gym is coming along nicely. We are anticipating completion ready for school to start with the expectation of the gym. It might take some additional time to complete, and we will make arrangements for that.

3. Scio School District Strategic Planning

- a. 2022-23 we will begin another round of school improvement planning
- b. Community input will be required and sought after to help us with determining our student's and school's greatest needs.
- c. Both of our new administrators will be working to get to know their staff, students, and community over the next few months. This will be a great way to gather much needed information and feedback for our improvement efforts.

4. BOARD COMMENTS/RECOGNITION

Jacob Alburn, principal of the middle school let the Board know that there will be an open house at the end of September for the parents and community members. We are waiting until then so everyone can see all of the building. A letter will be sent out to all the families. The Board suggested that someone put this on the community happenings page on Facebook along with putting it on the fire department board.

Ed DeWilde had community members ask about what our color scheme is at the schools? We have 3 different mascots at the schools, and it has been brought up to have 1 mascot for all 3 schools?

Mr. Martinelli said that we should have the school's input on both of these.

An audience member commented that each school should be independent and be an individual school.

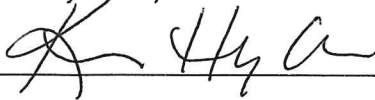

The Board suggested that a survey be sent out to the staff and possibly send one out to the community.
