Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

For 2020-21 English Language Arts data please visit:

www.oregon.gov/ode/schools-and-districts/reportcards/reportcards/Pages/Statewide-Assessment-Results-2021.aspx

School Environment

REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

For 2020-21 Regular Attenders data please visit:

School Goals

Scio Middle School and community in partnership, will educate, inspire, and develop students to be capable caring adults equipped to create their own future.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We believe that each of our students will be equipped with the skills and academic knowledge to succeed in society with a strong character and the spirit of a life-long learner.

We believe this can be accomplished with fair and consistent support through classroom management, rigorous curriculum, and models of positive behavior.

We believe in determining the needs of the whole student and strive to provide every student with multiple opportunities for success.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all our students, our school has implemented elements of Second Steps during assemblies. These assemblies include the entire student body and include such topics as: empathy, anger management, and problem solving. Our staff has been trained in Circle Point Bullying Prevention Program, which is a research-based, multi-mechanism community empowerment program that provides schools with practical and effective solutions to bullying problems.

EXTRACURRICULAR ACTIVITIES

Our school offers several academic extracurricular activities: Oregon Battle of the Books, Pentagames, and Chess Club. Our school offers several athletic extracurricular activities: cross-country, football, volleyball, boys' basketball, girls' basketball, wrestling, softball, baseball, and track & field. Our school offers several intramural sports: flag-football, 3 on 3 basketball, and pickle ball.

PARENT ENGAGEMENT

Our school engages parents by including them in our Student of the Month assemblies, chaperoning dances and field trips, helping with the annual Ghost Walk event, and supervising the carnival events at the Spring Fling.

COMMUNITY ENGAGEMENT

Each year we have a canned food drive in December to help provide needy families in our community with the necessary food items through our local food bank and run a penny drive to help the Susan G. Komen for the Cure non-profit organization.
