Scio Middle School and community in partnership, will educate, inspire, and develop students to be capable caring adults equipped to create their own future.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

We believe that each of our students will be equipped with the skills and academic knowledge to succeed in society with a strong character and the spirit of a life-long learner.

We believe this can be accomplished with fair and consistent support through classroom management, rigorous curriculum, and models of positive behavior.

We believe in determining the needs of the whole student and strive to provide every student with multiple opportunities for success.
