4.4 Visitor/Patron Comments:

Ben Baker and Jill Baker came to speak about a co-op for soccer. He discussed that last year at the June 2025, meeting they came to discuss starting a soccer co-op. At that time, they were told that a survey would go out asking if students would be interested in playing soccer. He stated that the board members present last June would be interested in having a soccer team if there was interest in Scio. Now Spring of 2026 based off his son, there has not been a survey that went out. He understands that starting a soccer program may affect other sports like football and could be detrimental to the program. He is not asking to start a program but to give student athletes an opportunity to play a game they love through a reconsideration of a co-op. He talked about speaking with multiple athletic directors. He brought up the concerns Kyle had 1. about transportation. When he spoke to the athletic directors say that the school does not transport the students to the co-op. 2. It would cost too much money based on coaches' salaries and equipment costs. The cost would only be the athletic fee to the host school. 3. If it was offered to boys, it must be offered to girls. Lebanon already said that it would be available to both boys and girls. He stated that it has worked with Stayton through the middle school program.

Kim Presented that due to the depreciation scale it depreciated out. It would make sense to get new bus instead of the cost of repairing one of the buses that is causing us trouble. Darren Buettner spoke that bus 2 needed 2 new tires, new roof hatch and an annual inspection. He picked RWC with a 78-passenger bus. This bus already has chains. The only additional cost would be the camera. Brody Foster presented that we have some roll over funds from previous transportation grants set aside in reserve for a situation like this. We will be able to roll over those funds and supplement the remaining 112 thousand in the bus acquisition fund and that will cover the full cost of the bus.

Derryl James made a motion to accept to purchase the new school bus for \$123,691.04. Nicole Buganski seconded the motion. Motion Passes.

6.1.5 Student Representatives:

McKenzie Gilkisons reports presented by Keltes James:

FFA:

FFA had a fun week last month celebrating National FFA week, where they had many fun activities including a middle school and high school assembly, teacher appreciation breakfast, and spirit week. They also planned an elementary school fun day last Friday with fun stations including a petting zoo. Starting today is State Convention in Redmond. Students are competing in marketing, public speaking, receiving their state degrees, and submitting art projects. Upcoming on April 11th is an event they're really excited about is a movie night being held in the gym to raise money for the ABC House. They will be playing Wreck it Ralph. There will be food trucks, Italian sodas, concessions and free popcorn. Door open at 5pm and the movie starts at 6pm.

Forestry:

The forestry program has been busy this spring. Students will go to a three-day Fire School the week after spring break, where they will learn basic wildland firefighting skills and teamwork. In April, they will compete in the Scio CDE to showcase their timber sport skills. At the end of the month, they will attend state convention to compete with the rest of the state in technical and physical forestry events.

Keltes James Report:

Leadership:

No new updates at this time, but they have implemented their card system and are in the midst of a spirit week.

Art:

Art has a lot going on right now. They are currently in the midst of two competitions, with one this month and the other next month. They are also working on finding time to plan an art show. They also hope to get the murals they are working on done by the end of the year.
